Dear Anglicans for Life Prayer Team Members,

While you are busy praying for Anglicans for Life, I have been praying for you! My prayer is that this Advent Season will be filled with the presence of the Lord for you. Personal time with Jesus is critical for intercessors and I ask our great God to affirm your ministry with His loving touch.

It seems impossible to believe another year is almost over. Around here, we are busy planning Sanctity of Life Sunday activities, the March for Life in Washington DC, and the Walk for Life in San Francisco. Please pray for me to get time away from all the busyness so I can follow God's leading and hear His guidance in planning.

We are also busy filling orders for PROJECT LIFE! Your prayers for this project are being answered – so again thank you for being the greatest Prayer Team ever!

In my last letter I mentioned that Anglicans for Life wanted to hire a person to head-up our fundraising development. We had to put that plan on hold, as donations were sparse this fall. But I am happy to report that a donor has come forward to fund the "Development Director" position for 2010. So as we gear up for the New Year, we are also beginning a search for this position. Please pray that God will send us the right person at the right time.

Finally, we need major prayers for our monthly financial situation. December is typically a good month for donations, but we need enough to carry us into January and February, when our Development Director will hopefully be on board and implementing our plans for 2010.

Increasing our efforts to market and develop Anglicans for Life next year is something I am very excited about. We have a great ministry, with many outstanding resources to affirm life. Increasing the number of churches and individuals we partner with should be do able, but as always I know it starts with prayer. Please ask the Lord to help us connect with people who feel called to get involved in life-affirming ministry.

Your prayer support for Anglicans for Life and our efforts to end abortion, euthanasia, and stem cell research abuse are critical. I am so grateful and encouraged knowing that we have 325 prayer warriors bringing this ministry and our work before the throne of God. Thank you and may God richly bless you as you spend time in His presence on behalf of life!

For His glory,

A handwritten signature in green ink, appearing to read "Dorothy".
