

Petition to encourage the Anglican Church to affirm the sacredness of every life, born and unborn!

Petition Summary and Background	At the Lambeth Conference held every decade, the bishops of the Anglican Communion adopt resolutions on topics affecting the Communion at large. A review of resolutions passed since 1930 shows the Anglican Communion values life and has consistently expressed concern about abortion. Anglicans for Life believes that it is time for the Anglican Communion to take a stand concerning the sanctity of life. Our Archbishops and Bishops need to know that you desire for the Anglican Communion to state unequivocally that God is the creator of life and to affirm that God, through His Holy Scripture, calls for life to be protected at every stage, from conception to natural death.
Action for Which We Petition	<i>I, the undersigned, do hereby ask the 2008 Lambeth Conference to <u>proclaim that the Anglican Communion affirms that human life is a precious gift from God that is to be protected at every stage, from conception to natural death</u>; and to encourage all Anglicans to oppose abortion and euthanasia.</i>
